2 APR 1982

MEMORANDUM FOR: Lieutenant General James A. Williams, USA
Director, Defense Intelligence Agency

SUBJECT: Long-Range Look at Intelligence Requirements for
Central America [] 25X1

REFERENCE: Your memo, SI 433596/82, dated 23 March 1982, subject
same as above

1. The concern expressed in your memorandum of 23 March 1982 on the need for a long-range look at intelligence requirements for Central America is well placed. As you know, we have taken a number of steps in both [] 25X1 to strengthen our baseline capabilities in this area. We are, however, as you point out still heavily dependent on temporary measures, primarily from the DoD, to meet peak needs of the current crisis situation. [] 25X1

2. We will continue to work with OSD to assure continued support until longer-term solutions can be found. I will plan to meet with you and Lieutenant General Faurer upon my return. In the meantime, I have asked the IC Staff to survey the situation with your office and NSA to develop some preliminary ideas. [] 25X1
